

C-17 AIRCREW TRAINING SYSTEM (ATS) (Moore/MTucker)

DESCRIPTION OF EFFORT

The C-17 ATS provides initial qualification and continuation training. All ATS ground instruction is by contractor personnel; all flight instruction is by Air Force personnel.

Support FTU at Altus AFB and ATS contract.

Program Assessment: Gr

ISSUES

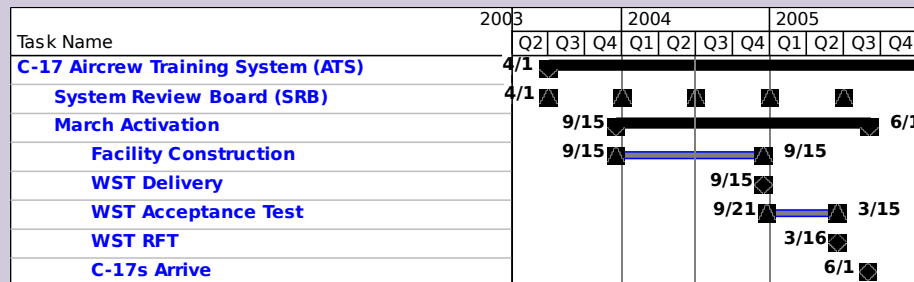

- C-17 WST at MARB
 - FSI pushing move to electric motion base
 - Electric would require increase in HVAC
- STP requires updating

ACTION ITEMS

- Continue to monitor WST Facility mod issues/schedule
- Coordinate schedule impacts closely with AFRC/DOT
- Provide AFRC position on FSI motion
- Add AFRC to C-17 TPT
- Address AFRC issues at semi-annual SRB (13-15 Apr)
